

# YEARBOOK DISTRIBUTION

**SENIORS** that ordered by 5/1 will get their book mailed home. They were scheduled to ship on 5/22, however, the plant is behind in shipment. We hope that they will arrive in early June.

In the meantime, you can set up your digital signing pages to share with friends, teachers, etc.

Information was posted on the "class of Google Classroom" and here is the link again to set up the [digital signing pages](#). It is very user friendly, and fun to share!

Seniors that ordered after 5/1 will need to schedule an appointment for pick up with Ms. RK; [krowekairys@scs.net](mailto:krowekairys@scs.net)

**UNDERCLASSMEN**, will be able to receive their book when we return to school in the fall. This was a directive we received from the District Office. Thanks for your understanding.
